TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

(L.S.)

To the inhabitants of the Town of Brentwood in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Swasey School in said Brentwood on Tuesday, the 13th day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will raise and appropriate the sum of \$25.00 (Twenty five dollars) to be matched by an equal sum by the State of New Hampshire for the purpose of brushing out old dirt roads.
4. To see if the Town will appoint a committee (and to report back at the next annual meeting) to locate desirable locations for a Town Dump.
5. To see what action the Town wishes the Selectmen to take in regards to the revaluation of the real estate in town.

6. To see if the Town will vote to raise and appropriate the sum of \$250.00 to purchase hose for the Fire Department. The Firemen's Association to match the above sum.

7. To transact any other business that may legally come before this meeting.

Given under our hands and seal this third day of February, in the year of our Lord nineteen hundred and fifty-six.

ALBERT C. SAMPSON
LeROY M. LAKE
WILLIAM S. BARTLETT

Selectmen of Brentwood

A true copy of Warrant—Attest:

ALBERT C. SAMPSON
LeROY M. LAKE
WILLIAM S. BARTLETT

Selectmen of Brentwood

REPORT OF THE FIRE DEPARTMENT

The year 1955 was a very good year, both from total number of fires and from property loss. A total of ten fires were called in, resulting in no property loss and only three acres of grass and forest lands burned over. The best record since 1943. We feel that this is mainly due to the splendid cooperation the Fire Department is receiving from the townspeople.

Your Fire Department stands ready to serve you in any capacity.

W. S. BARTLETT,

Chief

SIDNEY PARSHLEY,

Deputy Chief

BE A GOOD CITIZEN — COOPERATE

Smoking and debris burning caused more than 50 percent of the forest fires occurring in the State of New Hampshire in 1955 — 235 fires out of a total of 463 originated from these two sources. Lighted smoking material and matches thrown from moving vehicles along the highway or dropped by fishermen, hunters, hikers, berry and flower pickers accounted for 26 percent; debris burning in the wrong place or at the wrong time by those who failed to heed all pleas for safety or refused to recognize the logical, sensible rules and regulations set up under legislative authority governing the use of fire in or near woodlands accounted for more than 24 percent. This is inexcusable.

Everything possible is being done officially to remedy the situation. Since 1909 there has been a statute on our law books which requires everyone to secure written permission from the local forest fire warden before starting a fire in or near woodlands or where fire can be communicated to woodlands, unless the ground is covered with snow. A never-ending program of educational work is being carried on by your local warden and state officials to inform the general public both of the value and necessity of securing the required permit for such burning. Much progress has been made, but there are still many who fail or refuse to cooperate. The value of our permit system was definitely

proven in this district during the 1955 calendar year. Local wardens issued 32 permits for debris burning fires. That's a lot of permits. The records show no fires got out of control. This proves several things — while wardens were liberal in the issuance of fire permits, accommodating every applicant so far as possible, they were cautious, following closely directives outlining overall policy governing the issuance of burning permits and thoroughly instructing permit users. The latter, too, fully appreciating their responsibility in using their permits, governed themselves accordingly. Result? Much burning done legally and safe.

But what of the smokers? Despite all the efforts of those officially charged with the responsibility of preventing fires, too many were careless or thoughtless in disposing of smoking material and matches. Why? It is difficult to say. Autos are now equipped with ash trays. Why not use them. The crushing out of a cigar, cigarette and the complete extinguishment of matches before being discarded is an easy chore.

If the costly habits of the careless and indifferent smoker and debris burner could be overcome, more than half of our annual forest fires would be eliminated. Will YOU do YOUR share to bring this about?

Remember

1. Get a written permit from your local warden before starting your debris burning or camp fire. The law requires it.
2. Make certain they are dead out before leaving them.
3. Become a safe smoker by extinguishing smoking material and matches before discarding them.

Be a Good Citizen — Cooperate

Number of local fires — 4.

Number of acres burned — 3.

Number of permits issued — 32.

MERTON A. WEBBER

District Fire Chief

W. S. BARTLETT,

Forest Fire Warden

Auditor's Report

This is to certify that on January 13th, 1956, I examined the accounts of the Selectmen, Town Clerk, Tax Collector, Road Agent, Librarian, and Treasurer of the Town of Brentwood for the year ending Dec. 31, 1955, and found them all correct and with proper vouchers and a balance of Two Thousnd Seven Hundred Four Dollars and Fifty-two Cents (\$2,704.52) in the Treasury. There was a balance of \$6.00 in the Librarian's Account. On January 20, 1956, I examined the accounts of the Trustees of the Trust Funds of the Town of Brentwood for the year ending Dec. 31, 1955 and found them correct and with proper vouchers.

The splendid cooperation of all these officers is greatly appreciated.

Respectfully submitted,

GLADYS E. McCOY,

Auditor

January 20, 1956
Brentwood, N. H.

Truant Officer and Enumerator

George Sampson

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the Town of Brentwood, qualified to vote in district affairs:

You are hereby notified to meet at the Swasey School in said district on the 10th day of March, 1956 at eight o'clock in the evening to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents for the payment of statutory obligations of the district and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will raise and appropriate the sum of \$550 for the purpose of painting the trim on the school building and refinishing the desks.

10. To see if the district will raise and appropriate the sum of \$500 for the purpose of inaugurating a hot lunch program at the school.

11. To transact any other business that may legally come before this meeting.

Given under our hands at said Brentwood this 20th day of February 1956.

JOSEPH H. SOUTHWICK,
HELEN M. PIERCE,
HELEN D. HUBNER,
Brentwood School Board

A true copy of warrant — Attest:

JOSEPH H. SOUTHWICK,
HELEN M. PIERCE,
HELEN D. HUBNER,
Brentwood School Board

RECORDS OF SCHOOL MEETING

At a legal meeting of the inhabitants of the Town of Brentwood qualified to vote in District affairs held in the Swasey School, March 5, 1955, the following business was transacted:

ARTICLE I & II John F. Swasey was elected Moderator and Ferne Prescott was elected School Clerk.

ARTICLE III Helen Hubner was elected to the school board for a three year term and Helen Pierce was elected to the school board for a two year term.

ARTICLE IV Viola Brown was elected as Treasurer.

ARTICLE V Voted that salaries remain the same.

ARTICLE VI Voted to accept all reports.

ARTICLE VII Chester MacDonald was elected Auditor.

ARTICLE VIII Voted that a detailed statement of expenditures of the School District be itemized from now on and same to be put in the town report. Voted to raise \$38,578.91 for the support of schools minus any state and federal aid.

ARTICLE IX Voted to indefinitely postpone this article and matter be left to discretion of School Board.

ARTICLE X Voted to apply the federal aid money against the deficiency of the current school year.

ARTICLE XI Voted to hold school on election days.

ARTICLE XIII Voted to postpone this article.

ARTICLE XIV Voted to raise \$500.00, same to apply against the deficiency of the current school year.

ARTICLE XV Voted to investigate the kinds and prices of flooring for the basement further and a report to be made in future meetings.

Voted to adjourn at 9:35.

Respectfully submitted,

FERNE PRESCOTT,

School Clerk

VIOLA W. BROWN,

*District Treasurer***Auditor's Certificate**

This is to certify that I have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Brentwood, N.H. of which the above is a true summary for the fiscal year ending June 30, 1955 and find them correct in all respects.

C. O. MacDONALD,

July 13, 1955

Auditor

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Brentwood:

It is with pleasure that I present my first annual report to you.

This year we had a replacement of four teachers on our faculty. Mr. John Folsom replaced Miss Vera Favor as Principal and teacher of grades seven and eight. Mrs. Helen Saulnier replaced Mr. John Quinlan in grades five and six. Miss Mary Boyd replaced Miss Rita Champagne in grades three and four. Mrs. Barbara Bulkley replaced Mrs. Ruth McGall in grades one and two.

A new and most effective plan has been developed this year in reporting to the parents the progress of pupils in grades one and two. This report card allows the parents to gain an insight into the social side of the child.

In February the athletic program will be under the supervision of a practice teacher from the University of New Hampshire. This teacher will be under the supervision of Mr. Folsom and her University instructor.

Due to indicated increased enrollments in the next few years, you have wisely come forward with a long range planning committee. Our school housing problem can become very acute. Due to the entrance of "war babies" several years ago into our schools, there will be a definite need of added space for the next several years. It can be confidently predicted that the total school enrollment will increase until 1960.

Mr. John Scanlan, guidance director, was replaced by Mrs. Eugenia Livingston. Her duties have consisted of testing and counselling.

Your school board deserves much credit in giving so much time and thought in the preparation of the budget. They have made an honest attempt to see that the budget is well proportioned—that is, no phase of the work of the school system should receive more or less than it needs.

In closing, many thanks to the pupils, school board, P.T.A., citizens and teachers for whose understanding, patience and deep devotion to education has made the school program one of maximum service to the town of Brentwood.

Respectfully submitted,

GEORGE P. SULLIVAN,

Superintendent

GUIDANCE DIRECTOR'S REPORT

To the Superintendent of Schools, Members of the School Board, and Citizens of Brentwood:

The opportunity to present the guidance program for the year 1955-56 is welcome, as it is only with the understanding, support, and help of the administrators and teachers of the school, and the parents and pupils of Brentwood that the program can be successful.

The present individual record folders for each pupil will continue to be maintained at the school. A new form of individual pupil cumulative record folder will be considered and decided upon with the aid of the teachers. This record will help meet the felt need for a complete and efficient cumulative record of the pupil's physical, mental, and personal progress. The records are available to the teachers at all times; they assist them to better understand and guide each pupil. These records follow the pupil throughout his school career.

The counseling and testing of individual pupils is being continued and expanded as much as the scheduled time permits. Counseling and individual testing are essential phases of guidance because they help determine: the pupil's capacity to do school work, the cause for behavior problems, the reasons for lack of interest in school work, and other educational, vocational, and personal matters that prevent a pupil from making a normal progress at school.

Mr. John B. Folsom and Mrs. Helen L. Saulnier assisted in the testing of pupils in grades four, six and eight. The following battery of tests was administered to the fourth and sixth grade pupils: reading, arithmetic, language, and mental maturity. Pupils in the eighth grade were tested in mental maturity, reading, interest, clerical speed and accuracy, and mechanical ability. The results of the batteries of tests administered in the fall will be discussed with the pupils of grade four, six, and eight. Each pupil will have an opportunity to study his own record in order to learn his strengths and weaknesses and where he may advance.

Individual interviews will be scheduled with the pupils of the eighth grade; the parents of each pupil will be welcome at the time of the interview to discuss the test results and their significance, and to assist in planning the courses for high school, which will lead to a happy and successful career.

Vocational talks by specialists in their respective fields were given to the students in the eighth grade to start the pupils thinking about their future life's work. The talks were started in January and continued at the rate of one a month. The vocations discussed by the speakers are those in which there is a great shortage of personnel in New Hampshire.

Students of Sanborn Seminary also had the advantage of hearing, and conferring with the speakers representing various occupations. Brentwood students presently enrolled at the Seminary were interviewed and counseled as the need arose, and the scheduled time permitted.

Early in the New Year, plans were made for teachers' guidance meetings to be held at the school each month. The content of each meeting was designed to meet the needs of the teachers. The meetings should help the teachers attain a broader view of guidance, assist them with their daily problems at school, and the teaching of subject matter, through a better understanding of their pupils.

Respectfully submitted,

EUGENIA LIVINGSTON,

Guidance Director

STATISTICAL DATA

Senior:

Fred Gallant

REPORT OF MUSIC TEACHER

To the Superintendent, School Board and Citizens of Brentwood:

Once again I am pleased to submit this, my second report of the musical progress and growth in your school in Brentwood.

The general objective of music teaching in the grade schools is to cause the original crude, native interest in rhythm and tone, which characterizes practically every child when he begins school life, to develop into a genuine love of good music based on an intelligent appreciation of its moods, its structure and its notation. Such development will take place only if a consistent educational plan is carried out through a series of years, and it is with such a plan that I am attempting to deal.

The main avenues of creating a really intelligent love of music are by learning to sing, learning to play an instrument, training oneself in appropriate rhythmic response, learning to read music notation, and creating music.

The net result of this entire program seems to be that if one is to learn to appreciate music one must become a musician. The better a musician one is, the better one can appreciate music; therefore we should try to guide our pupils into a more extensive knowledge of music, at the same time making the whole experience of studing music so fascinating that they will love the art better and better as they master it more completely.

I am most pleased with the progress at the Swasey School, and wish to thank all of the students, teachers, parents and others who make my work so enjoyable.

Respectfully submitted,

SARA JANE CUMMINGS,

Music Supervisor

NURSE - TEACHER REPORT

To the Superintendent, School Board and Citizens of Brentwood:

Continued effort is being made to maintain a high standard of health supervision. Children with discovered defects have been taken care of promptly, either by the family physician or by one of the many clinics available for residents of the state. This cooperation on the part of the parents of Brentwood makes it a pleasure to work with them.

Besides the child health conference held in June in conjunction with the public health nurse, the outstanding accomplishment was the inoculation with Salk vaccine of our first and second graders. About two-thirds participated.

April has been set as a tentative date for the next polio clinic. This will include booster shots for the first group, as well as first shots for the new group.

Commendation and thanks are due our custodian, Mr. Bailey, for his diligent and scrupulous care of the school building. This is an important factor to the health status of our children.

Respectfully submitted,

CONSTANCE J. HUSS, R.N.

School Nurse-Teacher

LONG-RANGE SCHOOL PLANNING COMMITTEE

PROGRESS REPORT

At a special School Board meeting in August, 1955, it was voted that a long-range planning committee be appointed to aid the School Board in finding solutions to possible increases in our school enrollment. The committee consists of the following members: Everett Nealey, chairman; Alma Gallagher, secretary; Herbert Gove, Alvah Hubner, Roy Lake, and Russell Mason — together with the regular school board members: Joseph Southwick, chairman; Helen Hubner, Helen Pierce, and Supt. of Schools George Sullivan.

We have had three meetings to date and have arrived at the following possible solutions:

1. In order to provide immediate additional classroom space, if the need should arise, one or two rooms could be constructed in the stage end of the basement of the present school.
2. In the event that more than two rooms should be needed, we see two alternatives:
 - a. Build an addition to the present school to provide the necessary classrooms.
 - b. Send the present seventh and eighth grade classes to a junior high school. In this case, our present school building could be made to provide six classrooms, which would take care of any needs in the foreseeable future without costly additional construction.

In pursuing the possibility of sending the seventh and eighth grade students elsewhere, it was found that no space was available in any of the surrounding towns to accommodate our students. We even found out that Exeter may not be able to take our high school students in a few years.

Since Brentwood could not possibly maintain its own high school, the only remaining possibility we could see would be to enter into a school consolidation program with some of the surrounding towns and construct a building to provide for junior high and high school students. The committee met with Mr. Paul Farnum, of the State Board of Education, and discussed ways and means of approaching such a program. We next called a meeting of the school boards and interested persons of the surrounding towns to ascertain the amount of interest there may be for a consolidated school system. The following towns were represented at a meeting at the Swasey School on January 12, 1956: Brentwood, Danville, Epping, Kingston, Raymond, and Sandown. Dr. Austin McCaffrey, State Commissioner of Education, outlined the advantages and necessary procedure for such a program. At this special meeting there seemed to be enough interest demonstrated to make it practical to pursue the issue further. More detailed information about a possible consolidation program will be presented at the next School District meeting.

EVERETT T. NEALEY, *Chairman*

Long-Range School Planning Committee
